German Traditions

Sankt Nikolaus and Krampus visited German students at Silverbrook.

Duo are Popular for Advent Season

They also appeared at Badger. According to German folklore, Nikolaus rewards well-behaved children and Krampus punishes the not-so well behaved.

Holiday Lessons

Silverbrook students aren't fans of the birch rods that Krampus carries for naughty children.

Blood Drive is a Big Success

Many thanks to the volunteers, Versiti workers, high school students, and community members who turned out for the high school student council blood drive last week. This event was a great success as 382 units of blood and plasma were collected.

This event was not possible without the many, many hours of work to cover all the details completed by the students who are members of the student council and the advisors. Their work

included soliciting many donations for food and drinks at the event and gifts for all those who donated. Thanks to the following businesses for their donations:

McDonald's - Kilian Management
Culver's West Bend
Panera Bread West Bend
King Pin Bowl
Toppers Pizza
