

West Bend School District Update

December 21, 2022

Winter Weather Is Here

We are monitoring the current weather reports. When inclement weather occurs, Superintendent Wimmer and the transportation staff consult with the national weather service, municipal plow operators, bus companies, and area school districts frequently, including during early morning conference calls prior to the start of the school day. Every effort is made to make a final determination on a possible school building closure or delay by 5:30 a.m. Review more information about weather closure [on the website](#).

Please make sure your contact information in Skyward is up to date and remind students to bring their Chromebook and charger home. Announcements of a closure, delay, or distance learning, will be made via a phone call, email, West Bend School District websites and social media accounts, WIBD 1470 AM/101.3 FM radio, and Milwaukee television stations.

NEW! Vantage Point News

In the summer we released Vantage Point, a “yearbook” of highlights from the West Bend School District for the 2021-2022 school year. Today, review [Vantage Point News](#), a winter newsletter with four amazing stories featuring the students, staff, and volunteers in our schools.

The image shows the front page of the Vantage Point News winter edition. The title 'VANTAGE POINT NEWS' is at the top in a red box. Below it, a photo of a child holding a small gift bag is shown with the text 'Happy Holidays!'. A sidebar on the left says 'Volunteers Have Special Connection to Education' with a photo of a teacher and students. Another sidebar on the right says 'To review Vantage Point, WBSD Highlights from 2021-2022, go to [westbendschools.org](#)'. At the bottom, there are photos of students and a teacher, and a logo for 'FAIR PARK'.

Learn More About the WBSD 4K Program for 2023-2024

Families interested in enrollment and other information regarding the West Bend School District's 4K program in 2023-2024 can learn more during Parent Night on Thursday, January 12

at 6 p.m. The meeting provides detailed information on the program and its community-based partners offering 4K in West Bend, Newburg, and Jackson.

The meeting is virtual:
