## Updates on Enrollments

**Early Learning:** Families can now enroll students in the 4K and Head Start programs for 2023-2024. Enrollment is completed online in Skyward. Go to the [Early Learning Programs website](#) for details.

**Open Enrollment:** The available seats for new open enrollment within the WBSD is now on the [website](#). Open enrollment is a State of Wisconsin program that allows parents to apply for nonresidents to access public schools. The application period begins on February 6, 2023 and ends at 4 p.m. on April 28, 2023. **Students who are already enrolled in the WBSD as part of open enrollment do not need to re-enroll.** Students who have moved and are currently attending as part of a Tuition Waiver should apply for continuing enrollment through the Open Enrollment process.

**Elementary Intra-district Transfer:** Students in grades kindergarten-4 enroll in the school located in the specific attendance area as designated on the official boundary map: [WBSD School Boundary Map](#). Parents/guardians of students in the WBSD may request their child

attend a school different from the attendance area school identified through district-defined boundaries or procedures. Such a transfer is referred to as an intra-district transfer and the deadline for a request is March 3. [Review the website for details.](#)
