Gearing up for High School is Tonight

Families of eighth grade students are invited to Gearing up for High School at the East and West High Schools campus tonight, Wednesday, January 25 from 6-7:30 p.m. in the auditorium. This program is an opportunity to have the current eighth grade students and families gain exposure to high school academics, athletics, and clubs/co-curriculars.

Donations to Backpack Friday

Thank you to the owners of Witte's Vegetable Market who generously donated \$500 to both the Jackson and McLane Backpack Friday programs. These donations will help continue providing food and snacks to students in need. See more about the donation and the programs in [The Latest News](#).

Early Learning Program Enrollment

Families can begin enrolling students in the 4K program for 2023-2024 on January 30. On the same day, Head Start enrollment also opens. The West Bend School District is the Washington County provider of Head Start and offers classes at the Rolfs Education Center (near Badger Middle School), Jackson Area Community Center, and Kettle Moraine YMCA on West Washington.

Enrollment is completed online in Skyward and information can be entered early and submitted on the 30th. Go to the [Early Learning Programs website](#) for details.

Students enrolled in the 4K program THIS school year are automatically enrolled for kindergarten for 2023-2024. If a student is not enrolled in the WBSD's 4K, they may be enrolled for kindergarten beginning January 30. [Enrollment is completed online](#). Including classic songs from the motion picture like 'Journey to the Past' and 'Once Upon a December,' *Anastasia* explores one determined girl's journey to find home, love, and family."

Shows are at 7 p.m. on February 17 and 18 and 2 p.m. on February 19. Tickets are available on GoFan: <https://gofan.co/app/school/WI13638?activity=Performing%20Arts>.

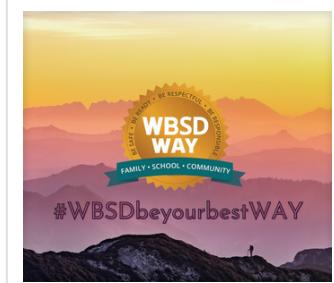

Students Helping Students

CREW is a high school transition program where upperclassmen welcome freshmen to the East and West school community by providing connections and information that help them be more comfortable and engaged.
