

West Bend School District Update

July 27, 2022

Back to School Registration is Open

Beginning July 27, Skyward Family Access will begin to accept back-to-school registration for the 2022-2023 school year for all families. We ask that you take this opportunity to review, update, and verify child and family information, complete required forms, and pay instructional fees. Please complete this process by August 26 as this information assists greatly in starting the school year smoothly.

--- Login to [Skyward Family Access](#). If you are new to the district or have forgotten your login information, click on Forgot Your Login/Password and follow the directions to reset your credentials.

--- Please refer to this [tutorial](#) for directions on completing back-to-school registration. Details on the tutorial include:

- Click on the tab labeled Health Info in the menu on the left side of the page to review the current information.
- Click on the tab that reads 2022-2023 Back-to-School Registration and update any new health conditions, family/student demographics, and emergency information.
- Complete the specific school registration checklist.
- Also complete the transportation/busing information request.
- Review and acknowledge the WBSD 2022-2023 Student/Parent Handbook.

If you are in need of technical assistance in completing back-to-school registration please contact Kim Marshall at kmmarshall@wbsd-schools.org or 262-335-8305.

Schools will contact families directly with information on teacher assignments, class schedules, and more details on the new school year. School supply lists, school pictures, and Meet and Greet event information is on the [West Bend School District website](#).

Finally, the USDA has discontinued the national free breakfast and lunch program that was in place for the last two school years. Please remember to place funds in your child(s) school

lunch account prior to the first day of the school year if they will need to purchase any food or milk. If you need assistance with purchasing breakfast and/or lunch, please complete the [Free and Reduced Meals application](#).

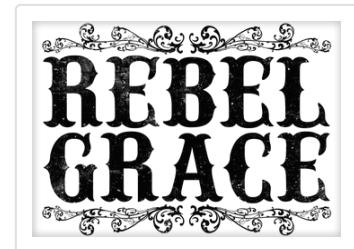

Thank you for your attention to this important registration.

Thanks for Survey Responses

There were 673 responses to our ESSER III survey. Many thanks for completing the survey. At this time we are compiling the information. For more information on ESSER funds, review the [West Bend School District website](#).

Support the Schools & See a Great Band

The West Bend Public Schools Foundation is holding a fundraising event on Saturday, August 20 at Regner Park featuring the popular band Rebel Grace. There is no admission fee, the park will open at 5 p.m. with food and drink for purchase. The band will hit the stage at 7:30 pm. Support our schools by coming for dinner and drinks and staying for a great concert.

WBVA Enrollment

Students in the West Bend School District have the opportunity to participate in the West Bend Virtual Academy Program on a full-time or hybrid (part virtual and part in the school) student.

The final day that families can request to have their child participate in this program for the first semester of 2022-2023 is Friday, August 19. Requests made after August 19 will not be honored. Visit the [WBVA website](#) for more information.

- Students in grades 9-12 fill out [THIS FORM](#) to indicate interest.
- Students in grades 6-8 fill out [THIS FORM](#) to indicate interest.
- Students in grades K-5 must contact the Program Administrator directly.

If the enrollment form was completed prior to the end of the 2021-2022 school year and the child has already received placement confirmation, you do not need to fill out the form again.

Questions can be directed to Aaryn Faust, program administrator, at afaust@wbsd-schools.org or 262-335-1472.

Standards Review is Open

In Wisconsin, academic standards define what students should know and be able to do in an area of study. The Wisconsin Department of Public Instruction (DPI) has a public comment period open until August 11 for existing standards in the following career and technical education areas:

- Business and information technology
- Family and consumer sciences
- Health science
- Marketing, management, and entrepreneurship
- Technology and engineering.

Please visit the [Wisconsin DPI website](#) to provide your input on the Wisconsin academic standards.

Teacher Appointed to Board

West science teacher Mitch Ziesemer was appointed to the American Meteorological Society's (AMS) Board on Pre-College Education. This board seeks to promote pre-college education in science and mathematics, specifically through atmospheric, oceanic, and hydrological sciences. It also provides support to the AMS Education Program. Ziesemer teaches the meteorology class for East and West High Schools.
