

# West Bend School District Update

June 21, 2023

## Book Reconsiderations

The West Bend School District is in receipt of two book reconsideration requests for:

- *The 57 Bus* and its use in the Badger Middle School ELA Curriculum
- *The Kite Runner* and its use at East and West High Schools in ELA and in the library

The reconsideration process, as outlined in West Bend School Board policy 361.1 and administrative rule 361.1 AR, has begun for *The 57 Bus*. A separate process will begin shortly for *The Kite Runner*. More information on this process will be added to the district's website.

As outlined in the administrative rule, a committee is established that includes the WBSD director of libraries and the library coordinator, and an administrator, two teachers, and a parent/guardian of the school in the request (Badger in this case). To give all teachers at Badger and parents/guardians of Badger students a chance to participate, an email was sent to families of students in grades 6, 7, and 8 in 2022-2023 inviting them. A random drawing of names will be held on Monday, June 26 at 3:00 p.m. at the Education Service Center to choose from all people who show interest in joining the committee.

Two meetings have been set for June 28 at 5:00 p.m. and July 13 at 5:00 p.m. Both meetings are scheduled to be held at the Education Service Center, 735 S. Main Street, West Bend. Both meetings will be open to the public; however, there is no public speaking portion in either meeting.

Questions regarding this process can be directed to Superintendent Jen Wimmer at 262-335-5435, or Tim Harder, director of libraries, technology, and CTE, at 262-335-5630.

**Give Your Thoughts on Student/Family Handbook**

The West Bend School District is updating its yearly [Student/Family Handbook](#). Please provide your thoughts on the content of the handbook on [this form](#).

## Training at High Schools on June 24

Froedtert will use the East and West High Schools building, including the pool, on Saturday, June 24 for a training exercise. If you see emergency and hazmat vehicles on the grounds do not be alarmed.

## Change of Address Form is Important

If you're moving, it is very important to inform the West Bend School District as soon as you know you're moving. We have an easy change of address form [on the website](#) along with more details about making the update.

If you are moving out of the WBSD attendance area, we have information on [tuition waivers and open enrollment](#). If your move requires your child(ren) to enroll in a new school district, complete that enrollment first and the new school district will contact the WBSD for records.

## Response to Intervention Center Awards for Supports

All the West Bend Schools were recognized by the Wisconsin Department of Public Instruction and the Wisconsin Response to Intervention (RtI) Center for their work toward fully implementing supports aimed at closing achievement gaps. The school-wide system increases the number of students who graduate college and career ready, uses data to proactively identify and provide support for students, and adds to the consistency of effective instruction, while building staff knowledge and skills to support all learners. The awards are given in reading, math, and behavior.

Decorah Elementary: Silver for Behavior, Reading, and Math

Jackson Elementary: Silver for Behavior

Green Tree Elementary: Silver for Behavior; Bronze for Reading and Math

Fair Park Elementary: Silver for Behavior

McLane Elementary: Silver for Behavior
