Dogs for Better Mental Health

May is Mental Health Awareness Month and at Badger Middle School students have welcomed visits from therapy dogs. Grace and Britta are trained under a very strict training program through Dawgs at Work to learn how to be available to people that need comfort. In fact, the process of training to become a therapy dog takes 18 to 24 months to complete. Mr. Uelmen's therapy dog, Riggs, is also visiting Badger.

Talented Artists Win Awards

The Downtown West Bend Association's Art Walk Banner project announced that West High School junior Grace Melstrand is the winner of the student contest. In addition, East junior Kayla Singkofer was second. West senior Mackenzie Endlich and West junior Eleanor Hunt earned honorable mention. The first place winner for the adult category is Miranda Kempf, a former WBSD student and current employee of the school district. Make sure you look for these beautiful banners on 6th Ave in downtown West Bend this summer.

If permission is given, students will complete the anonymous survey on May 19. Families can contact the school principals with questions.
