May 24, 2023

STAR Results Now Available in Skyward

Students in grades kindergarten through 10 recently completed the final STAR Assessments for the 2022-2023 school year. These assessments, administered three times each school year, provide valuable information to the West Bend School District to help guide curriculum and instruction. Students take the following assessments:

STAR Early Literacy: grades kindergarten and 1

STAR Reading: grades 2-10

STAR Math: grades 1-10*

**High school students in Algebra, Geometry, or Algebra 2 participate in specific Algebra and Geometry assessments. For this reason, only the Scale Score results are in Skyward.*
