## Spots Still Available for Blood Drive on December 7

"There is not one person who, if their life required an immediate blood transfusion, would not expect to have blood available at their local hospital. The only way for this to be true is if those who are able and willing step up and make a donation." --- Skip Clark, student council advisor

Sign up to give blood at the West Bend High School Student Council's annual community blood drive on Wednesday, December 7 in the South Gym of the West Bend High Schools. Check the slots available for adults and community members at <https://bit.ly/westbendhighdec7>.

Kiptyn Kainz, a young WBSD student, is battling cancer and is a blood transfusion recipient. Check out this important message from Kiptyn and his family on the need for donated blood. Click below.

## It's That Time of the School Year

Winter weather conditions or even mechanical issues may require the closure of our school buildings at any time. To avoid having to make up days at the end of the school year, we may have instruction continue using distance learning.
