## Blood Drive Helps People Like Kiptyn

The West Bend High School Student Council (STUCO) will hold its annual community blood drive on Wednesday, December 7 in the South Gym of the West Bend High Schools. The theme is "You're Somebody's Type...Swipe Right for the Fight!" and the goal is to help save more than 1,200 lives by getting 400 pints of blood. Community members and families are invited to participate.

The blood drive this year has a special connection as WBSD student Kiptyn Kainz, the 12-year-old son of Denise and Craig Kainz, both teachers at McLane Elementary, is fighting leukemia. Throughout his courageous battle the family has learned firsthand that blood is an important part of his fight.

Adults and community members can schedule their appointments at <https://bit.ly/westbendhighdec7>.
