Life-Saving Efforts at Football Game

At the West Bend School Board meeting on Monday, October 10, the board recognized several people for their role in providing life-saving medical assistance through CPR and defibrillator administration at the September 23 West Bend East football game.

Tom Wenzlaff was leaving the press box when he required immediate medical assistance for a cardiac event. West Bend Police Officer Adam Doleschy, WBHS Trainer Kyle Butters, and WBHS School Nurse Jen Schepp rendered immediate aid. Thankfully, Tom has recovered. Others offering assistance during the event include:

- Erin Felber, West Athletic Director
- Tim Harder, District Director for Technology, Library/Media, and CTE
- Molly Hengst, East Athletic Director
- Laura Krause-Emerick, East Assistant Principal
- Kent Olson, WBPD School Liaison Officer
- Wendy Reitz, Athletic Trainer
- Dave Talma, Teacher and Supervisor at event
- Melissa Werth, Teacher and Supervisor at event

West Bend Fire Department paramedics continued CPR, provided Advanced Cardiac Life Support medications, and additional defibrillator administration. They then transported Tom to Froedtert Hospital in Wauwatosa. The West Bend Fire Department says, "His survival is a testament to the necessity for bystander CPR and Advanced Life Support measures by paramedics to have good patient outcomes." The fire department staff included:

West Bend Fire Department personnel, Med Unit #21: Lieutenant/Medic Kyle Demler, Motor Pump Operator/Medic Steve Stockhausen, and Firefighter/Medic Antonio Gurrola. Intercept #1 (support car): Firefighter/Medic James Heichelbech, Firefighter/Medic Aaron Zuehlsdorf
Battalion #1 (command): Battalion Chief/Medic Mark Forster

The West Bend School District thanks everyone who helped to make this medical emergency a happy ending for Tom and his family.
