The District recognizes that each student's mode of dress is an expression of personal style and individual preference. With that in mind, the following student dress code standards shall be enforced in the District during the school day and at all school-supervised activities and functions:

1. Students shall dress appropriately for the school environment.
2. No student shall be permitted to wear any clothing that depicts, promotes or advertises alcohol, illegal drugs, tobacco or nicotine products, criminal activity that would threaten any person's health, safety or property (including the unlawful possession or use of any weapon), criminal gang affiliation/activity, profanity, pornography, or violence that would constitute a violation of law or school rules.
3. Students shall wear protective clothing and/or safety equipment when working in science labs, tech education, family and consumer education, school cafeterias, and other program areas as required to comply with health and safety codes and regulations.
4. Clothing and/or accessories that cause excessive maintenance problems or cause injury to anyone or damage to property may not be worn.
5. Students participating in activities or events representing the school before the public shall be expected to dress appropriately so as not to detract from the group or the occasion.

This policy and any additional school or activity rules established related to student dress shall be published annually in student and staff handbooks.

All employees shall be responsible for enforcing student dress code standards on a fair and consistent basis.
