The school district mission and vision is central to all that we do.

1. Honor the need for a respectful and safe environment. The following are some of the parameters:
 - Open and honest conversations
 - “Calling” each other on diversion from norms
 - Active engagement in meetings
 - Subcommittee work done by others may be questioned, but ultimately is to be respected
 - Disagreement is acceptable
 - Celebrations should happen regularly
 - Behaviors and ideas may be challenged, not people
 - Express opinions
 - Minimize side bar conversations
 - Be receptive to new ideas
2. Respect the agreed upon meeting structures.
 - Time – Start on time, end on time, and have realistic timelines established
 - Prioritize the agenda, begin with reminder of our norms
 - Balance professional development with operational needs
 - Professional development is a priority
 - Operations will be communicated by email, when reasonable
3. Share ownership and responsibility for problem solving and decision-making
4. Minutes will be sent to the leadership team in a timely manner.
